

WE INVITE ALL BIKERS TO JOIN US IN THE FIGHT!

Saturday, 18th July

Greenlane at 8.15am

(Countdown carpark)

We would like to remind you that as of last week your car registration went down, with a reduction in your ACC levy, (by up to \$170) yet your bike registration remains unchanged.

We have our first major protest ride coming up on Saturday 18th July. This event will be disruptive, it will get us noticed, it will make an impact, and it is legal.

In order to make it **MORE** disruptive, **MORE** noticeable and make a **BIGGER** impact, we need you to join us.
